Subject: Second Partial Release of Reclamation Surety, Ben Wilcken, ML 50053 Mine, S/027/0123, Millard County, Utah

Dear Mr. Wilcken:

At your request, a partial release of \$5,000 was authorized on August 24, 2016 after a Division inspection on July 19, 2016. During a follow-up inspection on August 10, 2016, it was determined that additional reclamation work had been satisfactorily completed to justify a second release in the amount of \$2,500.00 from the remaining current cash surety of \$3,000.00. The amount of \$500.00 was retained to ensure revegetation of the remaining disturbance.

Please find the enclosed check #F11500532 in the amount of \$2,500.00.

Please contact Peter Brinton at 801-538-5258 if you have questions regarding this action. Thank you for your cooperation and patience.

Sincerely,

Paul B. Baker
Minerals Program Manager
